## WHEN YOUR COVERAGE BEGINS AND ENDS

You are only eligible for coverage if we accept your request for insurance. Your policy's coverage effective date and coverage end date are indicated in your insurance policy. The policy is effective the day the order is received and the full premium is paid. The order must be received and the full premium must be paid on or before the departure date.

Coverage is only provided for losses that occur while your policy is in effect.

The coverage period ends at 23:59 local time on the coverage end date, unless you are on a trip. If you are on a trip on your coverage end date, your coverage will end on the earlier of:

1. The day you arrive at your point of origin or primary residence; or
2. 2 days after the coverage end date;

However, if your return travel is delayed due to a covered reason, we will extend your coverage period until the earlier of when you are able to return to your point of origin or primary residence, or until you arrive at a medical facility for further care following a medical repatriation or trip interruption.

## DESCRIPTION OF COVERAGES

In this section, we will describe the many different types of insurance coverages, which are included in your policy. We explain each type of coverage and the specific conditions that must be met for the coverage to apply. **Please note that exclusions may apply.**

### A. TRIP INTERRUPTION COVERAGE

If you have to interrupt your trip or end it early due to one or more of the covered reasons listed below, we will reimburse you, less available refunds, up to the maximum benefit for trip interruption coverage listed in your Coverage Summary, for:

- i. The prorated portion of your unused non-refundable trip payments and deposits.
- ii. Additional accommodation fees you are required to pay, if you prepaid for shared accommodations and your traveling companion has to interrupt their trip.
- iii. Necessary transportation expenses you incur to continue your trip or return to your primary residence.
  - We will reimburse you either for the new return travel carrier ticket to your primary residence or for the non-refundable portion of your original return ticket, but not both.
- iv. Additional accommodation and transportation expenses if the interruption causes you to stay at your destination (or the location of the interruption) longer than originally planned. **There is a per policy maximum of EUR 50 per day for 5 days.**

**IMPORTANT:** You must notify all of your travel suppliers within 24 hours of discovering that you will need to interrupt your trip (this includes being advised to interrupt your trip by a doctor). If you notify any travel suppliers later than that and get a smaller refund as a result, we will not cover the difference. If a serious illness, injury, or medical condition prevents you from being able to notify your travel suppliers within that 24-hour period, you must notify them as soon as you are able.

#### Covered reasons:

1. You or a traveling companion becomes ill or injured, or develops a medical condition disabling enough to make you interrupt your trip (including being diagnosed with an epidemic or pandemic disease such as COVID-19).

The following conditions apply:

  - i. The quarantine is specific to you or a traveling companion, meaning that you or a traveling companion must be specifically and individually designated by name in an order or directive to be placed in quarantine due to an epidemic or pandemic; and
  - ii. The quarantine does not apply generally or broadly (a) to some segment or all of a population, geographical area, building, or vessel (including shelter-in-place, stay-at-home, safer-at-home, or other similar restriction), or (b) based on to, from, or through where the person is traveling.
