DESCRIPTION OF COVERAGES

In this section, we will describe the many different types of insurance coverages, which are included in your policy. We explain each type of coverage and the specific conditions that must be met for the coverage to apply. **Please note that exclusions may apply.**

A. TRIP CANCELLATION COVERAGE

If your trip is cancelled or rescheduled for a covered reason listed below, that happens after your trip's purchase date, we will reimburse you for your non-refundable trip payments, deposits, cancellation fees, and change fees costs to rebook your transportation (less available refunds), up to the maximum benefit for trip cancellation coverage listed in your Coverage Summary. IMPORTANT: You must notify all of your travel suppliers within 48 hours of discovering that you will need to cancel your trip (this includes being advised to cancel your trip by a doctor). If you notify any travel suppliers later than that and get a smaller refund as a result, we will not cover the difference. If a serious illness, injury, or medical condition prevents you from being able to notify your travel suppliers within that 48-hour period, you must notify them as soon as you are able.
